This record is for studies in the Faculty of Arts and Sciences including Harvard College, Harvard Graduate School of Arts and Sciences, Harvard School of Engineering and Applied Sciences, and Radcliffe College. For a transcript of the record of any work in a professional school or the Division of Continuing Education, refer to that school. A list of Harvard schools is available at harvard.edu/schools.

As of July 1, 1966, the certification of Radcliffe College transcripts is under the jurisdiction of the Registrar of the Faculty of Arts and Sciences. Beginning with the academic year 1962, the A.B. or S.B. degree awarded to Radcliffe College students is conferred upon them by Harvard University. The S.B. degree program is accredited by the Accreditation Board for Engineering and Technology.

RATE OF WORK – Beginning with the 2015-2016 academic year, the Faculty of Arts and Sciences adopted a credit system whereby a one-semester course is worth four credits and a year-long course is worth eight credits. Prior to 2015-2016, courses in the Faculty of Arts and Sciences were evaluated as either full courses or half courses. A full course was equal to eight credits; a half course to four credits. The normal rate of work is the equivalent of sixteen credits (four half courses) each term or thirty-two credits (four full courses) per year. No additional credit is granted for laboratory or discussion sections.

COURSE LEVELS & SYMBOLS – Refer to registrar.fas.harvard.edu/transcript for a guide to course numbering, abbreviations, and symbols used in course names and numbers.

FOR GRADUATE STUDENTS ONLY - The minimum standard for satisfactory work is a B average in each academic year. A grade of C or INC is offset by a grade of A, and a D by two A's (no account is taken of plus and minus). The grade of INC (Incomplete) is granted only at the discretion of the instructor. A graduate student who receives a grade of INC must complete the work of the course before the end of the term following that in which the course was taken. If the work is not submitted by that time the INC becomes a permanent grade. A graduate student may petition the Dean's Office for an extension of time to complete the work of the incomplete course. Grade point averages are not computed for students in the Graduate School. A unit of "TIME" is ungraded independent work equivalent to one half course or four credits.

GRADE POINT AVERAGES Beginning in September 2003, the Faculty of Arts and Sciences moved to the 4-point scale: A=4.00, A-=3.67, B+=3.33, B=3.00, B-=2.67, C+=2.33, C=2.00, C-=1.67, D+=1.33, D=1.00, D-=0.67. E, FL, ABS, NCR, UNS, EXL, EXLD=0 (zero). Grade Point Averages reported on the transcript for students entering the College in September 2003 are based on the 4-point scale. The transcript for continuing students in attendance as of September 2003 reports both Annual Rank (based on the 15-point scale) and Grade Point Averages (based on the 4-point scale) for the semesters the student attended prior to September 2003.

Refer to registrar.fas.harvard.edu/transcript for a description of the Undergraduate Rank List system in use from 1966 to 2003.

This education record is subject to the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment), as amended. It is furnished for official use only and may not be released to or accessed by outside agencies or third parties without the written consent of the student concerned.
